

## Luther

Thud, Thud, Hammer fall.  
A world of wrong beyond the door.  
Would you pay to save your soul?  
The price may vary,  
Pick your poison.

Thud, Thud, Hammer fall.  
Choose the path of righteousness,  
Change the system not the man.  
A nail to change the world's ideals,  
Reform, Reform, and be the One.

Thud, Thud, Hammer fall.  
Show them just how wrong they are,  
Be the man and teach the truth.  
It's up to you to change the world,  
Hang your list upon the door.
